CALL FOR PAPERS

The 2021 International Conference on “Artificial Intelligence and Big Data in Digital Era”

Dear Colleagues, Researchers, and Practitioners

The 2021 International Conference on “*Artificial Intelligence and Big Data in Digital Era*” (ICABDE, <https://www.icabde.ueh.edu.vn>) is a prestigious venue for bringing together researchers, experts, and practitioners from academia, business, and industry, who are engaged in the different research domains related to Artificial Intelligence (AI) and Big Data.

The ICABDE 2021 will be organized by the University of Economics Ho Chi Minh City, in Ho Chi Minh City, Vietnam, during December 18-19, 2021. ICABDE 2021 includes:

- **Official sessions of ICABDE 2021:** focus on key topics related to Artificial Intelligence and Big Data. All accepted papers will be published in the series “*Lecture Notes on Data Engineering and Communications Technologies*” of the Springer publisher and fully indexed in the Scopus and Web of Science databases. The best papers will be invited to extend for publishing in prestigious journals of the Scopus and Web of Science databases.
- **01 Workshop ISBM21:** the workshop ISBM21 is mainly for two specialized categories – Management Information Systems (MIS) and Electronic Commerce (EC) with the theme “*Role of Artificial Intelligence and Big Data for Digital Economy: Opportunities and Challenges*”. All submissions to the workshop must be in Vietnamese, and the accepted papers will be published in the ISBM21 proceedings with ISBN. In addition, the selected papers of the workshop will be invited to extend for publishing in the special issue on MIS of the *Journal of Asian Business and Economic Studies* (JABES).

On behalf of ICABDE 2021 organizer, we would like to invite you to contribute your research works to the conference. For more details, please read the attached call for papers.

We look forward to receiving your submissions.

Best regards,

President of UEH

Prof. Dr. Su Dinh Thanh
