★ Publication

Conference proceedings: All accepted papers will be published in the conference proceedings of the series "Lecture Notes on Data Engineering and Communications Technologies" of the Springer publisher with DOIs, ISSN and indexed in **Scopus** and **Web of Science** (Clarivate analytics), EI, and others.

Publication in Journals: The best papers will be invited to extend for publishing in prestigious journals, indexed in the **Scopus** and **Web of Science** databases, but they will be reviewed again. See the list of supported journals HERE.

★ Important Dates

Submission Deadline:	OCTOBER 01, 2021 (extendable)
Author Notification:	NOVEMBER 15, 2021
Conference Dates:	DECEMBER 18-19, 2021

★ Submission

All submissions should be in PDF format, and they will be checked by the plagiarism software and the similarity rate should be lower than 30%. The page range is about 8-12 pages by the Springer book chapter template. Authors must follow the Springer template HERE. The review mode of the conference is single blind, i.e., authors do not need to remove their info in the manuscript. Submission must be done via EasyChair.

For every accepted paper, at least one author must register and present the results in the conference (either in-person or online, depending on the pandemic progress). If authors do not present the results in the conference, the paper may be excluded from the proceedings.

Due to the complicated progress of the pandemic, the conference will be held under a mix of in-person and virtual presentations. Authors are allowed to present their papers remotely if they are unable to attend the conference.
