Keynotes Speakers

Prof. Robert Breunig, Australian National University, Australia

Prof. Robert Breunig is the director of the Tax and Transfer Policy Institute at the Crawford School of Public Policy, Australian National University. From 2015 to 2016 he was the Director of the Crawford School of Public Policy.

Professor Breunig is one of Australia's leading Public Policy Economists. He has published in over 50 international academic journals in economics and public policy. Professor Breunig has made significant policy impact through a number of his research projects. Professor Breunig's research is motivated by important social policy issues and debates. His work is characterized by careful empirical study and appropriate use of statistical technique.

Professor Breunig's research agenda has led to many partnerships with government organizations in Australia and overseas. He works regularly with the Australian Treasury, the Department of Employment, the Department of Industry, the Department of Communication and the Arts, the Productivity Commission, the Australian Bureau of Statistics as well as many other agencies. He has been a consultant to the private sector on marketing, mergers, bank competition and customer loyalty programs.

Prof. Jonathan Pincus, UNDP

Prof. Jonathan Pincus is the UNDP Senior International Economist. He attended Oberlin College in the United States and holds master and doctoral degrees in economics from Cambridge University in the United Kingdom. Professor Pincus has lived and worked in Southeast Asia for three decades, including extended assignments in Indonesia, Vietnam, and the Philippines. Professor Pincus has held various teaching positions in Europe, the United States, and Asia, has taken on numerous technical assignments with international organizations including the United Nations Development Program (UNDP), the Food and Agriculture Organization (FAO) and the World Bank. Professor Pincus is a renowned development economist specializing in Southeast Asia. His research has focused on issues of agrarian change, poverty, inequality, and labor markets. Professor Pincus has authored numerous books and articles on economic issues in Southeast Asia.

Prof. Alex Vanderstraeten, Ghent University, Belgium

Prof. Alex Vanderstraeten is the professor at Ghent University, Belgium. He also has teaching experiences in the USA, Russian Federation, North Macedonia and Taiwan.

He published articles in journals such as Personnel Review, International Journal of Human Resource Management, Journal of Organizational Behavior, and others. Together with Professor Robin Kramar (Notre Dame University, Sidney), he recently published the book "Sustainable HRM. From theory to Practice" in 2021.

His main interests are situated in strategic Human Resource Management, and performance based Human Resource Management. He now works on Sustainable Human Resource Management, a new paradigm in Human Resource Management literature and practice. Apart from his academic career, he actually helps organizations building up a clear sustainable Human Resource Management strategy and policy to pave the way to global sustainability.
