

Thua Thien Hue, May 04, 2024

CALL FOR PAPERS
STUDENT RESEARCH – INTERNATIONAL CONFERENCE FOR
YOUNG RESEARCHERS IN ECONOMICS AND BUSINESS 2024
(SR-ICYREB 2024)

Attn:

The University of Economics, Hue University, is set to host the Student Research-International Conference for Young Researchers in Economics and Business 2024 (SR-ICYREB 2024) on **September 27th, 2024**, in Hue city, Vietnam. SR-ICYREB 2024 aims to cultivate an academic platform fostering the exchange of innovative ideas and research findings amongst students from economic and business universities. This conference endeavors to facilitate the sharing of experiences and to bolster local and international cooperation among students in their pursuit of scientific research, aligning with the evolving global landscape. SR-ICYREB 2024 will feature the participation of both local and international scholars, distinguished keynote speakers, and students.

(1) The conference will focus on the following topics:

- Economic policies, international economic integration, digital economy, sharing economy, circular economy, economic restructuring, and innovation in growth models; sector economics, local economy, sustainable development.
- Accounting and auditing, finance, macro and microcredit.
- Governance and business, entrepreneurship and innovation; Free Trade Agreements, Logistics and Supply Chain Management, Tourism and Services.
- Mechanisms and policies related to the business environment to support enterprises; research and development for businesses.
- Other relevant topics.

(2) All papers must be submitted in English in the form as a WORD format file of no more than 10,000 words. Accepted papers will be published in International Conference Proceedings with ISBN (*Kindly find attached the Regulations of paper format*). Full papers should be sent to Office of Research Affairs & International Cooperation, University of Economics, Hue University via hoithao@hce.edu.vn no later than **July 10, 2024**. Additional information regarding the conference can be found at <https://sricyreb2024.hce.edu.vn/>. Moreover, the Organizing Committee will acknowledge and reward outstanding papers and presentations.

(3) Participants are advised of the following registration details:

- Students from co-organizing universities: 250,000 VND per student.
- Students from other universities: 500,000 VND per student.

The aforementioned fees cover the provision of the edition of the Proceedings, refreshments during breaks, and other related amenities.
