

Hanoi, February 08th, 2023

**CALL FOR PAPERS FOR
NEU - KKU INTERNATIONAL CONFERENCE
ON SOCIO-ECONOMIC AND ENVIRONMENTAL ISSUES IN DEVELOPMENT**

In order to enhance the exchange in teaching, researching and making policy for Sustainable Development, the National Economics University (NEU) and Khon Kean University (KKU) of Thailand co-organize the 17th International Conference on:

SOCIO-ECONOMIC AND ENVIRONMENTAL ISSUES IN DEVELOPMENT

The conference is a semi-annual event that has been co-organized by NEU and KKU since 2013.

Participants: participants are coming from universities, research institutions, international organizations, NGOs and those concerning to socio-economic and environmental issues in development in Thailand, Vietnam and other countries.

Time: 08th, June 2023 (Thursday)

Form of Organization: Hybrid conference

Venue: Grand Convention Hall, The National Economics University, Vietnam.

Registration Fee: Vietnamese Delegate: VND 2,000,000 (*this fee is charged for both online and offline attendance*); International Delegate: 100 USD (*this fee is charged only for offline attendance*). The fee includes paper published in International Conference Proceeding and lunch.

Accepted papers will be published in the 17th ICSEED International Conference Proceedings (with ISBN code).

For the success of the conference, NEU and KKU would like to invite Sir/ Madam submit papers, focusing on the following topics (but not limited):

1. Theoretical and practical issues in economic, society, resources & environment in development in Vietnam, Thailand and other countries;
2. International economic integration;
3. Economic management and business administration;
4. Digital economy, technology and industrial revolution 4.0;
5. Social and humanities issues (education, culture, language, communication, sociology, management...)
6. Circular economy, energy and climate change;
7. Policy implications on socio-economic development - natural resources and environment - sustainable development.

Full paper (in English) should be within 8 to 10 pages in length (see the Template attached), sending **before 08th May, 2023**.

(Please include Your Title, Name, Email Address and Organization)

Abstract

Replace the content of this template with your accepted abstract.

Keywords:

Please include 3 – 4 appropriate keywords. They should be in an alphabetical order and be separated by commas.

1. Introduction

The introduction should include the rationale of the study, theory, framework, related literature reviews, objectives of the study, and so on.

2. Method

This section describes the methodology of the study. It may include sub-sections such as participants, research instruments, data collection, and data analysis.

3. Results

This section should be organized in order to answer each of your research questions.

Table 1: *Font size and format of the full paper*

No.		Notes
1.	The full paper should be between 8-10 pages including maps, charts, diagrams, references.	
2.	Please use 12-point Times New Roman font and single line spacing for the whole document.	
3.	Paragraphs must be justified (fully aligned).	

4. Discussion and Conclusion

The section should contain a summary of the study, discussions of the results, recommendations and the conclusion.

Please note that large attachments may not always send successfully, so please carefully limit the size of your attachment.

5. References

For citations, please follow an APA style.

1. Carolyn Kousky and Roger M. Cooke (8/2009), *Climate Change and Risk Management: Challenges for Insurance, Adaption, and Loss Estimation*, AIG Climate Change and the Insurance Industry, Discussion paper.
2. Geneva Association, (7/2009), *The Insurance Industry and Climate Change – Contribution to the Global Debate*, The Geneva reports: Risk and Insurance Research No2.

Please send your abstract and full paper to: icseed@neu.edu.vn

Deadline for sending full paper (8 to 10 pages in English): **May 08, 2023**
